Introducing the Sitoa Bid Desk

Sitoa Corporation, a leading drop-ship vendor for Home Depot, now offers an exciting new opportunity to all Home Dept stores – the Sitoa Bid Desk.

By creating access to a wide range of products at superior pricing, Sitoa has been successful in helping Home Depot win several large competitive bids. We are now rolling out the program to all our locations.

Categories

Sitoa supplies most of the Consumer Electronics and Computer products available on the Home Depot website , and is a leading supplier in Home Depots online Home and Office categories.

For the bid desk, they offer a wide range of products aimed at the Hospitality, Restaurant, Apartment and Office markets, including:

- Hospitality TV's
- Electronics
- Appliances
- Décor
- Floor Coverings
- Lighting
- Furniture
- Computers / Networking
- Office Equipment
- Office Supplies
- And more...

How to Get a Quote

The Sitoa bid desk is a full-service organization and is very easy to work with. Simply contact the bid desk with your requirements and they will provide you with options and prices.

Once your customer is ready to order, contact the bid desk with the final choices. Sitoa will start expediting your order per the agreement of the bid to create a successful experience for your customer.
